

Birthday Book Club
For Grades K-8

Dear Parent,

Trinity is offering you a fun way to help celebrate your child's birthday. We are continuing our Birthday Book Club. This is a program that will give your child an opportunity to select a book, which will be donated to our library in their honor and will help us build our library with new and updated books.

This is how the program works. Each member of the book club will be asked to donate \$10.00 at the beginning of the year. Books will be purchased for all age levels and in many areas of interest. These will be high quality books. There will be four birthday parties held each school year. Each party will combine the club member's birthdays for 3 consecutive months (August, September, and October). The party will be held in the library during school hours. Each child will be able to look over the new books, choose one that they would like to sponsor, and check it out for the first time. A special sticker will be placed inside the book stating: this book was donated to the Trinity Library by (your child's name) through the Birthday Book Club. We will also have a birthday treat and receive a special birthday memento.

If you are interested in signing up for the Birthday Book Club, please fill out the bottom section of this form and drop it in the black mailbox by the reception desk with your \$10.00. We feel that this will be a fun way for your child to share the memory of their birthday with other children in our school.
